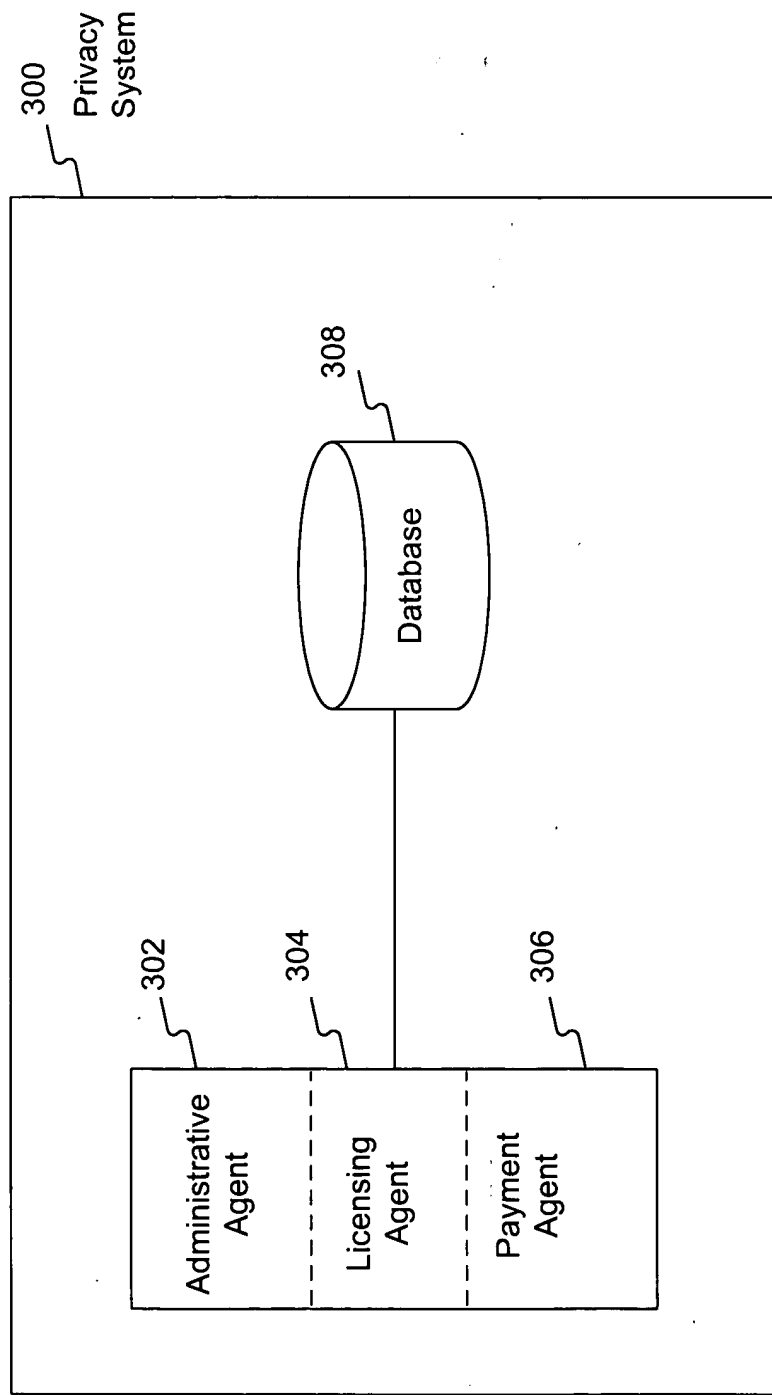

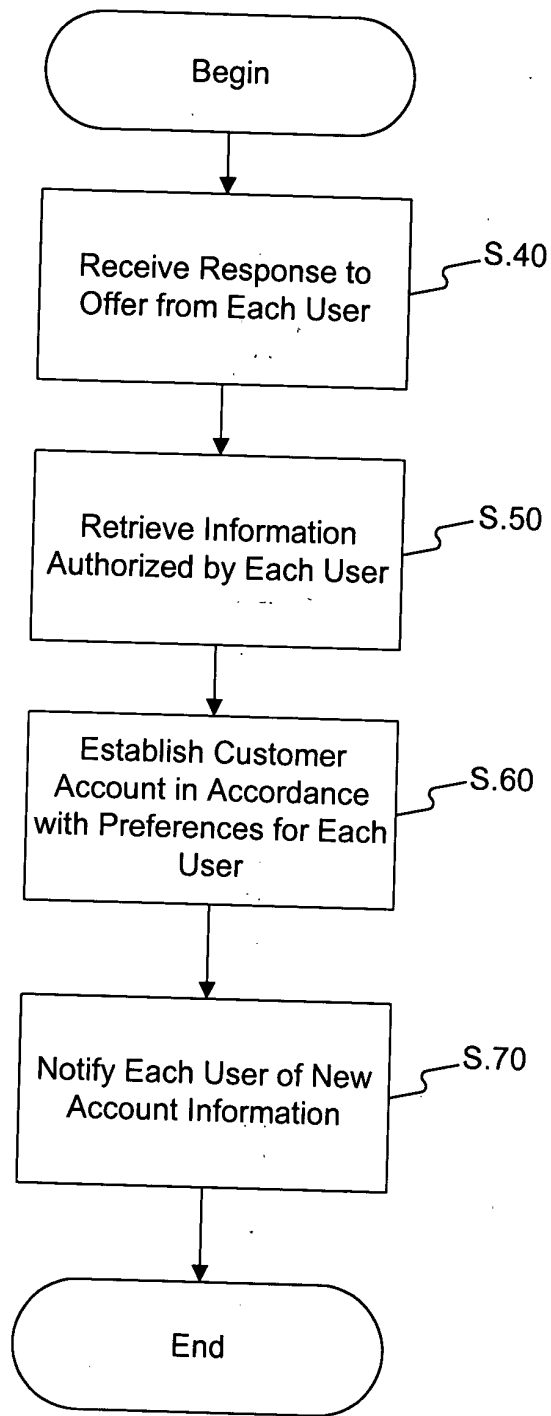

FIG. 2

```
graph TD; A([Begin]) --> B[Generate a List of Potential Users]; B --> C[Determine Type of Incentive to Offer Each Potential User]; C --> D[Send Offer to Each Potential User]; D --> E([End]);
```

The flowchart illustrates a process for offering incentives. It begins with a rounded rectangle labeled "Begin". An arrow points down to a rectangular process box labeled "Generate a List of Potential Users", which is also labeled "S.10" to its right. Another arrow points down to a second rectangular process box labeled "Determine Type of Incentive to Offer Each Potential User", labeled "S.20" to its right. A third arrow points down to a third rectangular process box labeled "Send Offer to Each Potential User", labeled "S.30" to its right. Finally, an arrow points down to a rounded rectangle labeled "End".
